With AMSOIL, you can order products as you need them. Call the convenient toll-free Telephone Ordering Line (800-777-7094) or visit the AMSOIL Online Store ([www.amsoil.com](http://www.amsoil.com)).

## You also earn monthly commissions on your purchases from AMSOIL.

You get extra profits with AMSOIL commissions. Every AMSOIL product you purchase has a commission value, known as commission credits. At the end of each month, your total accumulated commission credits are calculated and AMSOIL sends you a check, based on the AMSOIL Commission Credit Schedule. (Minimum total monthly volume to receive a commission is 100 commission credits.)

Order taking, shipping and returns all are handled by AMSOIL INC. AMSOIL also offers website packages and other options that allow all Dealers, regardless of computer experience or equipment, to participate in Internet sales.

# COMMERCIAL ACCOUNTS

## Commercial accounts are a great opportunity for increased sales.

Commercial accounts can provide a steady source of income for an AMSOIL Dealer. Commercial accounts are businesses which have company-owned vehicles, equipment and machinery that use the high-quality lubricants and filters available from AMSOIL. These accounts do not sell AMSOIL products, only use them in their vehicles, equipment and machinery.

When you register a commercial account, you earn a cash commission on every purchase your account makes. Each account purchase also earns you commission credits which are applied to the commission schedule and added to your commission totals. Product commission values are detailed in the Dealer Profit List (G3501).

# RETAIL-ON-THE-SHELF ACCOUNTS

## Additional profits in retail markets.

Selling AMSOIL to retail accounts is another way to earn commissions. Retail accounts are retail outlets such as auto parts stores, motorcycle dealerships and automotive service centers. These stores stock AMSOIL products to sell to their customers or install AMSOIL products as part of a service such as with oil changes.

When you register a retail account, you earn a cash commission on every purchase your account makes. Each account purchase also earns you commission credits which are applied to the commission schedule and added to your commission totals. Product commission values are detailed in the Dealer Profit List (G3501).

# SPONSORING NEW DEALERS AND PREFERRED CUSTOMERS

## Multiply your profits by building and managing your own sales group.

When you sponsor new Dealers and Preferred Customers (just like you would be sponsored as a Dealer) you are building a personal group. The commission value of your group's purchases is added to yours, increasing the percentage of your commission and giving you a bigger commission check. The primary difference between Dealers and Preferred Customers is the right to earn commissions. Dealers earn commission checks based upon their commission credits and the commission schedule. Preferred Customers purchase AMSOIL products at the same wholesale price as Dealers, but do not earn commission. All commission credits earned by Preferred Customers are credited to the sponsoring Dealer.

You can earn more by sponsoring other people as AMSOIL Dealers and helping them build their businesses as you build yours.

### EXAMPLE:

You sponsored 3 Preferred Customers and 3 Dealers. All of them have purchased products worth 300 commission credits in the month. In addition, you have generated the same 951.44 commission credits as in the previous example:

	<b>Commission Credits</b>
Preferred Customer #1's Purchase	300.00
Preferred Customer #2's Purchase	300.00
Preferred Customer #3's Purchase	300.00
Dealer #1's Purchase	300.00
Dealer #2's Purchase	300.00
Dealer #3's Purchase	300.00
Your Personal, Catalog, Internet and Account Sales	<u>954.44</u>
<b>Total for your group</b>	<b>2754.44</b>

<b>COMMISSION SCHEDULE</b>	
<b>Commission Credits</b>	<b>Your Commission</b>
5000	25%*
4000	24%*
3000	23%
2500	20%
2000	17%
1500	14%
1000	11%
500	8%
300	5%
100	2%

\*with sponsoring requirement

For this example, AMSOIL would send out checks totaling \$550.89 (20% of 2754.44). The total paid to your Dealers would be \$45.00 (5% of 300.00, or \$15.00 to each Dealer), and the rest is yours to keep. For the same 954.44 personal commission credits shown in the previous example, you receive a **\$505.89** commission instead of \$76.36, just by sponsoring new Dealers and Preferred Customers who generate commission credits. Your combined retail profits and commissions now total **\$1,013.49** instead of \$583.96

**Note:** As your group's purchases reach and maintain a monthly level of 3000 commission credits, you attain the level of Direct Jobber. You can earn up to 25 percent at the 5000 commission credit level. Direct Jobbers are also eligible to earn Direct Jobber performance commissions, car bonuses and more. See the marketing plan (G47B) for more details.

## Earn performance commission bonuses by building and maintaining your sales group and by helping your Dealers build, too.

As your Dealers' businesses grow to the 3000 commission level and they sponsor their own groups, they become Direct Jobbers as well. Instead of adding their purchases to yours, you earn a Direct Jobber performance commission. Depending on how many of your Dealers become Direct Jobbers, you can earn from 5 percent to 9 percent on the total purchases of all these groups. See the AMSOIL Multi-Level Marketing Sales Plan (G47B) for complete details about the qualifications and requirements to earn extra commissions from your group and to earn Direct Jobber performance commissions.

# TIPS FOR SPONSORING

## Sponsoring Expands Your Business

Many people operate under the assumption that having personal group Dealers working the same area is like adding competition. In fact, the opposite is true. It's already been shown that active personal group Dealers expand your income opportunity, so by sponsoring you've really just expanded your sales force.

## Sponsoring Provides Security

An active personal group means security because personal group Dealers keep working even if you can't (residual income). Dealers with strong, active personal groups continue generating commissions, even if they fall ill or can't actively work their businesses for some other reason, because their personal group Dealers are still selling the products and sponsoring new Dealers.

Based on this same principle, an independent AMSOIL business generates retirement income. When successful Dealers retire, their personal groups are often so solid that the business continues to generate income for them.

## Finding Prospects

Many Dealers begin with friends and family, however, sponsoring is often more successful with people outside of family and friends. Virtually anyone you come in contact with is a potential new personal group member. Other members of groups or organizations to which you belong such as a sportsmans club, snowmobile club or Lions club make excellent prospects. Even old classmates might make good personal group Dealers.

Another good place to find potential Dealers is your customer list. Customers often make the best Dealers because they believe in the product and start with a good base of knowledge. Some Dealers find new Dealers through print or radio advertising, trade shows, flyers, the internet or other promotional activities. No matter where they are found, it is important to qualify prospects and be sure they

are not already involved with another AMSOIL Dealer. Refer to the Initial Contact Guidelines Brochure (G2194) for details.

## Spotting a Good Prospect

Although virtually anyone can be an AMSOIL Dealer and no single quality is a guarantee of success or failure, some characteristics provide good indications of future performance.

- **People who value AMSOIL products**
- **People who desire to start their own businesses**
- **Hard-working, self-starting, stable people**
- **People with good experience**
- **People looking for retirement income**
- **People who are driven**
- **Successful people**
- **Busy People**
- **Personable People**
- **Husband/wife teams**

## Making the Presentation

The most important thing in sponsoring is knowing the company and the products. Most of the questions prospects will ask can be answered with thorough knowledge of the AMSOIL Business Manual (G700). When making sponsoring presentations, it's important to ask appropriate questions and listen to the answers. If you ask good questions, prospects will provide clues to their motivations, and these clues can help you tailor your presentations to them.

- **Have all necessary materials on-hand**
- **Wear proper attire (AMSOIL clothing)**
- **Have a positive attitude – smile**
- **Know your prospect**
- **Believe in AMSOIL products**
- **Do the paperwork**
- **Follow up**
